flossie elk was an astonishingly beautiful baby but whilst her mother fanny encouraged flossie to use the power of those dazzling looks her greengrocer father george stood by the belief that beauty is a lure of satan when the first world war breaks out and george joins the army fanny sends her daughter to dance academy where flossie's beauty can shine like it's never been able to before not before long flossie is given a starring role on stage but with less than honourable intentions carnegie award winning author noel streatfeild explores the dark side of the backstage world which she knows all too well from her own life in this witty and enchanting wartime novel it pays to be good

in recent decades the contested areas of english usage have grown both larger and more numerous english speakers argue about whether we should say man or humanity fisher or fisherman whether we ought to speak of people as being disabled or challenged or differently abled whether it is acceptable to say that's so gay more generally we ask can we use language in ways that avoid giving expression to prejudices embedded within it can the words we use help us point a way towards a better world can we ask such questions with appropriate seriousness while remaining open minded

and while retaining our sense of humor to all these questions this concise and user friendly guide answers yes while offering clear headed discussions of many of the key issues

being good to oneself places the importance of a self positive attitude in our everyday lives spread over twenty two chapters and a conversational way of writing this book would surely interest those who are looking for a well rounded successful life dr orison swett marden 1848 1924 was an american inspirational author who wrote about achieving success in life and founded success magazine in 1897 he is often considered as the father of the modern day inspirational talks and writings and his words make sense even to this day in his books he discussed the common sense principles and virtues that make for a well rounded successful life

in a series of brief chapters al gini lays out ideas for stepping out of the shadow of the self an argument for stopping thinking of yourself as the centre of the universe it s hard to be good he explains until we realize that being good only has meaning in relation to other people ideas of justice fairness and ethical behavior are just that abstract ideas until they are put into action with regard to people outside ourselves we may worry too much about good versus evil big concepts that give us plenty of room to sit on the right side of the equation he argues instead we need to be thinking about how being good involves an active relationship toward others being good all by yourself may not be good enough this warm and generous book is for anyone who wants to know how to use ethical thinking as way to live work and be with others
