isabel liked the way her life was not looking for a change though life seems to have something else in mind as dark magic starts flying throughout the air as the storm of battle rattles on it takes a unique plan to get the village out of the witches line of sight all the while trying to keep the secrets of her little cabin suddenly responsible for more than she would have ever thought her quiet life seems to be rocked more than the shaking ground damien has come to offer aid once he heard about the attack of dark witches only to find himself surrounded by children and tripping over his feet waiting to get the attention of one little she wolf that had more secrets under her skin than anyone knew trying to win the battle for the mountains and win over isabel seems to be a harder task than he would have thought fighting magic with magic seems to be the only option though isabel has to find the courage to show her own powers and admit who she was she couldn't hide behind the walls she built around herself as the dark magic tries to destroy everything in its path the wolves find themselves outnumbered as lightning bolts rain down around them the only way out seems to be the sprits of the warriors that had once faced these powers from beyond though are the spirits going to answer the call or is the pack on its own with spells flying throughout the air the only hope is the anger of the spirits and the strength of the trees to hold out with assaults as the smoke clears isabel finds herself standing there realizing everything had come to an end well the celebration is going on isabel and damien know saying goodbye isn't an option he accepts her the way she is
