this is the first critical examination of pablo picasso s use of religious imagery and the religious import of many of his works with secular subject matter though picasso was an avowed atheist his work employs spiritual themesÑand often traditional religious iconography in five engagingly written accessible chapters jane daggett dillenberger and john handley address picasso s cryptic 1930 painting of the crucifixion the artist s early life in the catholic church elements of transcendence in guernica picasso s later fraught relationship with the church which commissioned him in the 1950s to paint murals for the temple of peace chapel in france and the centrality of religious themes and imagery in bullfighting the subject of countless picasso drawings and paintings

religious subject matter is not central in 20th century art one might therefore suspect that for the avantgarde the spanish civil war 1936 1939 would have eclipsed religion altogether however as juan José lahuerta argues in this book the war caused a considerable revival of certain themes of religious art in particular it intensified pablo picasso s lifelong preoccupation with the subject of the crucifixion the work of the swiss surrealist painter max von moos 1903 1979 throws additional light on the paradox at hand in 1938 i e one year after picasso painted guernica von moos published an essay entitled religious painting of our time that addresses some of the critical issues then confronted by church art issues of communication and expression realism and abstraction that turn out to offer surprising insights into picasso s art if not into modern art altogether
